[EXTERNAL EMAIL]

Thank you for your email. For all the parties to these Dockets, the Orders are in the drafting and review progress and are expected to be issued next Tuesday or Wednesday. The fact that a holiday or short week occurs is not a factor with regard to any Order, but rather workloads.

I hope that this email is helpful in the meantime.

Subject: [External] Palmetto and Horry Applications for Designation as ETCs - Docket Nos. 2021-19-C and 2021-21-C

All,

I am writing to request that the Commission issue orders in the above-referenced dockets as soon as possible. The Commission granted expedited review of the applications on March 24, 2021. On May 14, 2021, the Office of Regulatory Staff filed proposed orders with the Commission, after consulting with the applicants. Once the Commission issues its orders in these dockets, the companies will need to upload the Commission orders in the FCC's system not later than Monday, June 7, 2021, in order to complete their respective applications for federal funding from the Rural Digital Opportunity Fund ("RDOF"). With the holiday weekend and short work week next week, we just wanted to be sure that the Commission is aware of the impending deadline for providing these orders to the FCC. Thank you for your consideration.
